LGT University Scholarship
MSc in Finance at the University of Liechtenstein

LGT is awarding two scholarships in the amount of CHF 1900 for each academic year. All students who have been accepted to the first year of the Master of Science in Finance program at the University of Liechtenstein can apply for the LGT University Scholarship.

Application

Students who are interested in receiving an LGT University Scholarship can apply for the scholarship upon admission to the Master of Science in Finance program at the University of Liechtenstein. The following documents are required for the application: scholarship application cover letter and letter of recommendation, CV, photo, bachelor's degree, language and other training certificates.

The following aspects will be taken into consideration when awarding the LGT University Scholarships:

Evaluation criteria

- Excellent results for the previously completed degree
- Volunteer work for social or ecological causes
- Reliable personality with a high level of integrity and a positive attitude
- Excellent language skills in English and German
- Exceptional level of commitment and motivation for the master's program
- The need for financial support could also potentially influence the final decision regarding the awarding of the scholarships.

Selection process
